

December is a free month so come and enjoy each others' company and do some painting for free! This week - free painting.

If you didn't get a chance to show your work from the workshop, bring it along. We would love to see it.

Dec 12 will be a hands on making Christmas card event. To the presenters for Dec 12, please send me a supply list if you wish folks to bring along supplies for the card making.

Dec 19 is our Christmas party and we will be starting late, getting to the hall at 10 instead of 9.

For those of you who took advantage of Black Friday deals on art classes, please bring some of your projects you are creating and sharing them with us as the new year progresses.

Also a reminder to create an original artwork Christmas Card for exchange at the Christmas party (if you wish to take part in the exchange.)

Also, gift bags for women or their children are being collected by Marilyn for Christmas. The gift should be wrapped and have clearly marked on it who it is for, e.g. girl, age 6-9. It is nice if the gift contains some essentials e.g. toothpaste, toothbrush, shampoo, hand cream etc. as well as something non-essential eg. a drawing kit or doll or lego or whatever.

For those who have not been here for one of our Christmas parties, we bring food for potluck, our handmade card for exchange and a gift bag as mentioned above if you wish.
